Check-in helper quick guide

1. Greet warmly: "Welcome to the AI Village Showcase!"

2. Find their RSVP name and check them off.

3. Hand them a name tag and pen.
4. Give one Prompt Card from program/door-prompt-cards.md; mention they can drop it in the Demo Prompt Bowl by the stage — the agents may build one live.

5. Point them toward snacks/drinks, the welcome projection, and station area.

6. Leaving early requires no action.
